

ENHANCED PRECAUTIONS AGAINST CORONAVIRUS (COVID-19)

The Greater Hartford Transit District (the “District”) wishes to assure the public, passengers, and employees alike, that appropriate precautions are underway in response to inquiries about the coronavirus (COVID-19). Across the country information about COVID-19 is developing by the day. Please visit <https://www.cdc.gov/coronavirus/index.html> for the latest information and updates.

HOW CAN YOU PROTECT YOURSELF AND YOUR FAMILY?

- The CDC recommends that people wear masks in public settings and when around people who don't live in your household, especially when other social distancing measures are difficult to maintain.

- Please keep your distance from others (at least 6' of separation is critical).

- Frequent hand washing, using soap, for at least 20 seconds.

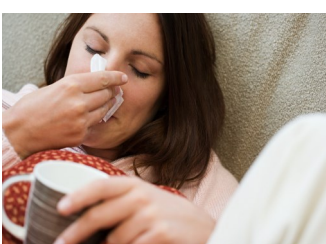

- Use hand sanitizers when soap and water are unavailable.

- Avoid touching eyes, nose, or mouth with unwashed hands.

- Cough and sneeze into your elbow, not your hand. Alternatively, cough or sneeze into a disposable tissue, then throw the tissue into the trash, and wash your hands.

- Stay home when feeling sick and avoid close contact with people who are sick.
